Person responsible:

Deadline:

Old Business:**Mr. McCool / Mr.****KIPRC Online WMD Course:****Schneider**

Discussion:

- Dr. Sandi Herr of Kosair Children's Hospital has extensive experience involving pediatrics and WMD. She may be available to assist with the pediatric component of this on line training. Mr. McCool will contact her.
- Mr. Schneider gave a detailed demonstration of the KIPRC WMD online training course for the subcommittee. He also outlined the plans for the pediatric component. The pediatric component should be no more than four hours in length.
- This training is not yet approved for nursing CME. KIPRC is working to correct this. EMT and Paramedic CME are available. Approximately 1000 persons to date have utilized this training and a certificate is generated at the end of the course.

School Nurse Project:**T. Taylor**

Discussion:

- E. Kravic will review the School Emergency Nurse Course currently available form Illinois EMSC.
- The CD's cost \$5.00 each.

National Trauma Systems Conference: T. Taylor

Discussion:

- T. Taylor will join Charlie and Charlotte O'Neal to attend the national Trauma Systems conference to be held in Washington, DC on Jan. 12-15, 2004.
- The purpose of this conference is to outline the progress of the state in their quest to establish a Trauma System in their state.

Action items:

Contact Dr. Herr for her possible assistance.

T. Taylor will provide the School Emergency Nurse Course CD to E. Kravic.

E. Kravic will send T. Taylor the list of safety observances for the year.
